Straw Hat Chat

FOR ONE WEEK.

Wonderful, the style and comfort tacked together with straw. Some men are just stubborn enough to look into their five-dollar derby for the label and then think of a straw hat. If the label leads you no nearer the hatter than a thought, you are a couple dollars in, provided your thought leads you here. All the hatters' styles and some of our own. Price, all our own—

WE TRY TO PLEASE.

THE WORLD MOVES.

We have only to go back to the time of Chas. I. to come upon the discovery of the circulation of the blood. To-day we understand that the life of the body is in the blood, and that impurities in it are the seeds of disease. Whatsoever improves the digestion and stimulates the Liver, Lungs and Kidneys drives out these impurities, or disease germs, and enriches the blood, and is therefore the source of health and strength. Thus far in the history of medicine nothing has been so successful as **Wampole's Preparation**, made from Fresh Livers, containing the active medicinal principles of Cod Liver Oil, the Hypophosphites Compound and the Extracts of Malt and Wild Cherry Bark. It makes fat which is like fuel to the system; is wisely and scientifically combined, and a specific for Scrofula, Fevers, Bowel Complaints, Rheumatism, Debility, and wasting diseases. There is no bad taste to it. You get all the curative properties of the Cod Liver Oil, but not a whit of its offensiveness.

You would not know you were taking it. How different from the old-fashioned mixtures—to say nothing of the plain oil! Well, the world moves, and this remedy illustrates the fact. Genuine has trade mark. Sold by all druggists.

Hawaiian

Electric

Company.

The cleanest, brightest and really, in the long run, the cheapest and best light for use in the family residence, is the incandescent electric light. Safe; nothing could be safer. A few days ago a prominent gentleman of Honolulu came rushing down to the office of the Electric Company and said: "Give me figures for wiring my house, and I want it done at once; no more lamps for me. Last night a lamp tipped over and it came so near setting fire to the house and burning my children and I take no more risks." This is the sentiment of quite a number in the past few weeks, who have ordered their houses fitted with the perfect light. Just think it over and make up your mind that you want the best and safest light; send for the Hawaiian Electric Company and tell them what you want. We have a complete stock of everything in this line and have just received a lot of the very latest designs in chandeliers.

SUBWAY RAILWAY.

The Glasgow Subway Railway has been opened for business after six years' construction. The railway, which consists of two tunnels running parallel, each eleven feet in diameter, is the greatest novelty in the world in the way of underground haulage. Its circuit is beneath the chief streets of Glasgow, and is six and one-half miles long, with fifteen stations. The fare is a penny, and the cars are lighted by electricity.

SURE TO WIN.

The people recognize and appreciate real merit. That is why Hood's Sarsaparilla has the largest sales in the world. Merit in medicine means the power to cure. Hood's Sarsaparilla cures—absolutely, permanently cures. It is the One True Blood Purifier. Its superior merit is an established fact, and merit wins.

HOOD'S PILLS are easy to take, easy to operate. Cure indigestion, headache. Hobron Drug Co. wholesale agents.

READY FOR WAR.

The sentiment in favor of the Cuban insurgents seems to be growing every day. In Washington the cause of the insurgents is warmly espoused. Yesterday the Cameron resolution, which the morning dispatches reported would probably be introduced into the Senate Monday, was the cause of much comment. According to Secretary of State Olney, this resolution practically means war with Spain. There is no danger or probability that war with Spain will in the least affect the quality of Rainier Beer. No matter what happens Rainier Beer will always be the best. On tap or in bottles at the Criterion Saloon.
